Tour the Col. James M. Schoonmaker ship and the National Museum of the Great Lakes. Launched in 1911, the Col. James M. Schoonmaker, once the largest freighter on the Great Lakes, has been restored. Visitors are awed by the massive engine room, posh officer's dining room, stainless steel galley and the captain's quarters. Join us in the fascinating stories of the Great Lakes as you learn about the rich history of the world's most important natural resource and immerse yourself in unique media and hands-on experiences.

Visit the Toledo Museum of Art & Glass Pavilion. The Museum offers free glass blowing demonstrations throughout the day as we are hoping to get a first-hand experience at glass making!

Enjoy a guided tour of the Toledo Firefighters Museum. The museum's million dollar display includes many large pieces of vintage firefighting equipment. The centerpiece of the museum is the 1837 Neptune, Toledo's first fire pumper. Lovingly restored by Toledo Firefighters, the hand-pulled, hand operated Neptune required a 20-man crew and could deliver about 300 gallons of water per minute.

Stop at Boyd's Retro Candy with a \$2 coupon to purchase a sweet treat before departing for home.
